

Powerhouse Parramatta

We are celebrating 6 months and over 2000 people in the Powerhouse Community Space!

Since opening on 16 December 2017 community visitors have visited

The community have had the opportunity to:

- To speak to someone in person
- Ask experts questions about the new museum
- Learn more about the museum design and construction
- Engage with Museum’s STEM learning activities

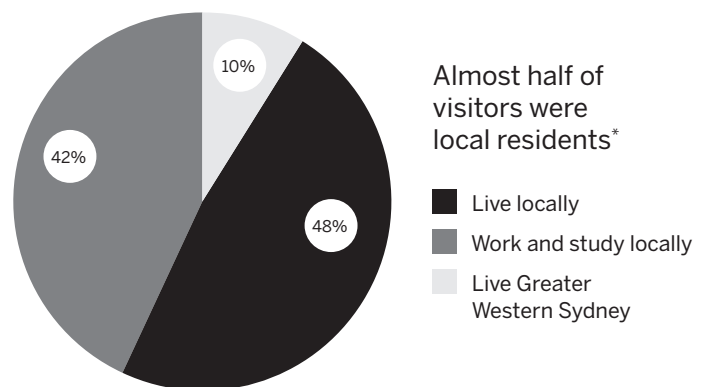

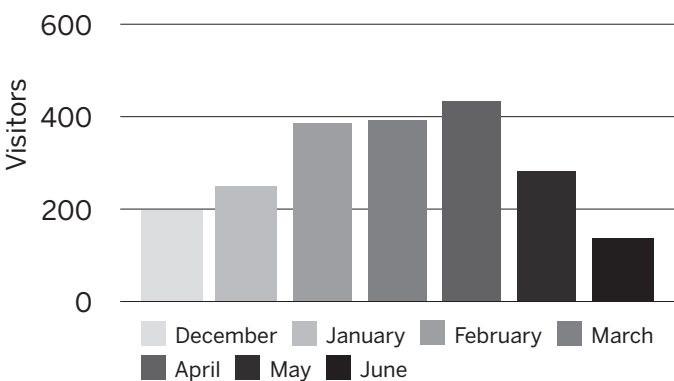

■ Positive ■ Neutral ■ Negative

Feedback from visitors to the community space has been overwhelmingly supportive

Community comments

"This is close to home, it's good. We're Powerhouse members, can't wait to have it nearby."	"It will be great to have these cultural opportunities in Western Sydney."	"It looks really cool! Great to see how Parramatta is changing."
"It's beautiful, really beautiful."	"When will it be completed?"	"I'm excited to see more of the collection."

Almost half of visitors were local residents*

- Live locally
- Work and study locally
- Live Greater Western Sydney

Positive feedback included being impressed by the design of the building and the museum being an asset for Parramatta and Western Sydney

Community concerns related to flooding following extreme rainfall in March & questions around the relocation of Willow Grove

* Of those whose community membership type was captured
** Visitor sentiment was captured from 30 January 2021. Sentiment was captured as unknown if visitor did not want to or did not engage in conversation for staff to gauge sentiment. Those captured as 'Unknown' have not been included in this report.
