

Date of complaint	Complainant	Nature of complaint	Response	Complaint status
18/10/2018	Walsh Bay Precinct Management Association (PMA)	Non-compliance with conditions of consent relating to the Communications Strategy and Construction Pedestrian Management Plan.	Infrastructure NSW investigated the concerns and it was confirmed that conditions of consent were adhered too. On 13 November, Infrastructure NSW briefed the precinct association communications and pedestrian management arrangements during the construction period.	Closed
26/11/2018	Client who has engaged local business and venue for upcoming wedding	Concern about the impacts that construction and associated hoardings would have on upcoming wedding day in October 2019. Stakeholder was unaware of Walsh Bay Arts Precinct project and the impact this would have on their wedding. Infrastructure NSW clarified that the information included in the stakeholder's complaint letter was in reference to previous 2017/2018 Walsh Bay refurbishment works.	Infrastructure NSW clarified details and timelines for the current Walsh Bay Arts Precinct works and advised that hoarding would be in place for duration of construction works - until completion in 2020. Infrastructure NSW advised the stakeholder to contact wedding venue to discuss potential impacts to their wedding day.	Closed and response issued to complainant
27/11/2018	Pottinger Street Resident	Use of Pottinger Street Bridge to access project – resident believed the bridge would be used sparingly. Furthermore, machinery movement along bridge left debris on road.	RCC investigated the concern on 27/11/2018, and cleaned debris off road as soon as the complaint was received. Furthermore, a non-conformance was issued to the relevant contractor. A site toolbox / meeting was held with RCC and relevant contractor to ensure this does not occur again and the correct procedure is used moving forward. RCC can confirm the Pottinger Street bridge will be used sparingly to delivery machinery to Level 1. All future deliveries will occur on the bridge and not on Pottinger Street.	Closed and response issued to complainant
4/12/2018	Client who has engaged local business and venue for upcoming wedding	Concern about the impacts that construction and associated hoardings would have on upcoming wedding day in October 2019. Stakeholder was unaware of Walsh Bay Arts Precinct project and the impact this would have on their wedding.	Infrastructure NSW explained Walsh Bay Arts Precinct began in September 2018. Infrastructure NSW clarified details and timelines for the current Walsh Bay Arts Precinct works and advised that hoarding would be in place for duration of construction works - until completion in 2020. Also advised that external scaffolding could be erected. Infrastructure NSW advised the stakeholder to contact wedding venue to discuss potential impacts to their wedding day.	Closed and response issued to complainant

11/12/2018	Client who has engaged local business and venue for upcoming wedding	Concern about the impacts that construction and associated hoardings would have on upcoming wedding day in April 2019. Stakeholder was informed by venue that there would be no visual impacts from construction works. After visiting site, they have found there is a visual impact from the hoarding.	Infrastructure NSW clarified details and timelines for the current Walsh Bay Arts Precinct works and advised that hoarding would be in place for duration of construction works - until completion in 2020. Also advised that external scaffolding could be erected. Infrastructure NSW advised the stakeholder to contact wedding venue to discuss potential impacts to their wedding day.	Closed and responses issued to complainant
