

Aboriginal Cultural Heritage Assessment: Invitation to Register Interest

Proposed Penrith Stadium Sewer Relocation Review of Environmental Factors

On behalf of Infrastructure NSW (the proponent), Curio Projects (heritage consultants) are commencing Aboriginal community consultation as part of a Review of Environmental Factors (REF) for the relocation of a sewer main within the Penrith Stadium Sewer site. The study area is shown below. It is located at Mulgoa Road and Ransley Street within the Penrith City Council LGA.

It is proposed that the existing sewer main within the stadium site will be decommissioned and will be diverted to the west of the existing stadium within the current training field. New connections for the stadium and Cricket Club will be provided to the diverted sewer main.

The purpose of this community consultation with Aboriginal people is to assist the proposed applicant as part of a Review of Environmental Factors (REF), and to aid in the preparation of an Aboriginal Cultural Heritage Assessment Report (ACHAR) in accordance with the *NSW National Parks and Wildlife Act 1974*.

Community consultation is being undertaken to assist the assessment of cultural significance of the study area. This notification is being undertaken in accordance with Section 4.1.2 of the Office of Environment and Heritage (OEH) and the Aboriginal cultural heritage requirements for proponents 2010.

Curio Projects invite Aboriginal people who hold cultural knowledge relevant to determining the significance of Aboriginal objects(s) and/or places in the area to register an interest in a process of community consultation.

The proponent can be contacted via tom@gtkconsulting.com.au but contact via Curio is preferred.

Please note that when you register an interest in this project your details will be forwarded to Heritage NSW and Metropolitan Local Aboriginal Land Council, unless you specify that you would not like your details released.

Please forward registrations to Curio Projects no later than 5 July 2024, via phone, email or mail to:

Sebastian Gerber-Hood on consultation@curioprojects.com.au
